FOURTEENTH ANNUAL NEINDA REUNION TO BE HELD SUNDAY

The fourteenth annual gathering of the Neinda Community Reunion will be held Sunday at the Community Center. An invitation is extended to everyone, especially those who have lived in the community. John Scarborough is reunion chairman.

The business meeting will begin at 11 a.m. followed by a Barbecue lunch at 12 noon. Tickets for the noon meal will be \$1.00 for adults and 50c for children's plates. The women are asked to bring deserts.

The reunion was held for the first time in 1950. A group of ex-students decided to have a class reunion and this started others in the community to thinking along the lines of a gathering for the entire community. Residents of the community cleaned and repaired the old school building and made other preparations to organize a permanent association.

J. L. Weaver was elected president for the first year and J. E. Brown, secretary. Mal Castleberry served as president the following year and various others have held the office though the years. However, it was decided to give the office of president to Castleberry permanently. Mrs. J. E. Brown is now the secretary.

Approximately 350 to 500 persons attend the affair each

year. Recognition is given to the "old timer" who is the oldest, and to the one who has traveled the greatest distance, and others who no longer live in the community.

Some of those who helped to start the reunion were Llera Drummond, Mildred Williams, Artha Lee Tollison, Winona Jargnagan, Rod Brown, Eva Delle Gillis, Lillie Whittenburg and others.

Since there is a community cemetery, and most of the old timers have relatives buried there, the Neinda Cemetery Association was organized in connection with the Reunion.

Louis Boyd was named first president of the Cemetery Association and John Brown Sr. served as secretary. Following the death of Mr. Boyd, Brown has filled both offices.

Mr. Boyd placed a marker on the first grave in the cemetery. It was that of a child who had died while her parents were traveling through the country in a wagon and had camped at the creek near Neinda.

The Boyd family and a Day family were among the first residents of the community. Also, Mrs. Bob Milstead was a early resident and still attends the reunions.

Although many of the old timers are gone the reunion is carried on each year by their children and grand-children.

School Tax Raise Vote Set May 11

The Hamlin Independent School District Board of Trustees called an election for May 11 for the purpose of increasing the Local Maintenance Tax of the district. The board called the election last Thursday night after being presented a petition bearing the names of 43 taxpayers.

Although the election is being called to set the maximum level of the local maintenance tax at a \$1.50, it was pointed out by C. F. Cook, superintendent, that the board would likely only raise the rate to \$1.35. This, he said would be only an increase of \$1.50 over the current combined maintenance and bond tax rate of \$1.50.

Under the present tax situation within the district the \$1.50 rate is divided so that \$1.20 goes for maintenance and

\$1.30 goes for bond retirement. If the taxpayers approve the new rate the board will be empowered to raise the maintenance tax to as high as \$1.50 and the bond rate to what ever level it takes to retire the bonds that are approved by the voters.

Cook said that for the next two years the bond rate would

have to remain at the \$3.00 level and that after that time it could be lowered considerably unless the taxpayers voted additional bonds for some type of building program.

In addresses before the various clubs during the past month or so, Cook has pointed out that because of the decrease in oil valuations within the district and the increase in the money needed to match the state funds in order for the teachers to receive the raise granted them by the Legislature it has put the district in a financial situation where it cannot meet its bond obligations and still maintain the present standards of education.

A \$1.50 raise in the rate will increase the local maintenance fund by about \$24,000 a year, which Cook said the board felt would take care of the needs of the school and provide adequate repair and maintenance to the buildings.

DUPLICATE BRIDGE CLUB SETS CHARITY TOURNEY APRIL 27

The first local duplicate bridge tournament to be scheduled in the Hamlin area as part of the American Contract Bridge League's 1962-63 Charity Program will be sponsored by the Hamlin Duplicate Club. The game will be held on Saturday, April 27, at 1:30 and 7:30 p.m. at the Primary Cafeteria. Proceeds of the tournament, which is open to the public, will go to the American Contract Bridge League Charity Program's two designated beneficiaries, the Institute of Logopedics and the National Multiple Sclerosis Society. The Hamlin Duplicate bridge club is one of over 4,000 American Contract Bridge League affiliates eligible to conduct special tournaments each year on behalf of the national charity organizations selected by the

League as outstandingly deserving support. A total of about \$170,000 was raised by the League's Charity Program last year, a figure they hope to increase this year.

Entry fee for the April 27 tournament in behalf of the two benefitting organizations is \$2.00 per person each session. It is tax-deductible. All bridge players in the area may participate, (whether or not they have ever played duplicate bridge.) The mechanics of duplicate differ from ordinary rubber bridge chiefly in that a series of identical hands is played at all tables, making possible a fairer rating of the relative skills of the players.

Meals will be available for all players at a nominal fee.

Trophies for all sessions are now on display at Knobel Jew-

Tickets are 50c. Children of grade school age will be admitted free with their parents.

The local Exposition is being held as a part of the Northern District of the Chisolm Trail Council although the other towns in the district are staging their shows on April 27. Weaver said that the change in Hamlin was made because of conflicting activities.

The Scouts will be actively demonstrating and explaining to the public the many skills and interests of the finest of boy's programs, that of Scouting.

FAIRVIEW NEWS

By MRS. ELMER JOINER

Easter Sunday has come and gone again, all of the frocks and Easter bonnets have been worn, the eggs have been hidden and found, maybe a few tummys aches this morning, but no showers have fallen. The weather man has warned us to keep our fingers crossed but says we may have rain this week, which we are sorely needing.

Our church had several visitors on this beautiful Easter Sunday a good service, not overlooking the true meaning of Easter, which tells the story of our risen Lord.

Mrs. Bertie Wright, a resident of Hamlin her son, Mr. and Mrs. Glen Wright, Eunice New Mexico, came to here her nephew preach Sunday morning.

Mr. and Mrs. Marvin Johnson and boys of Amarillo who have been visiting their parents, Mr. and Mrs. M. S. Johnson and Mr. and Mrs. Winson Gray, all of Hamlin, were in services Sunday morning.

Jimmy Joiner, Jeannie and Ronald, were visiting from Stamford, also Sunday morning.

Billy and Randy Jones, from Sherman, were with their grandparents, Mr. and Mrs. Mel Jones, Sunday morning.

It was also good to see Mrs. Henry able to be back in service Sunday morning, having been absent several weeks recovering from surgery.

Sonny Joiner stopped for a short visit with the Elmer Joiner's Friday afternoon, on his way to Lubbock. He had returned from the trip to Virginia having driven his nieces, Mrs. Delbert Martindale, car

through to San Antonio, and was on his way to Lubbock for his car.

Mrs. Martindale, the former Sue Beavers, and daughter of Mrs. Henry Kee, of Lubbock, and little sons, came home with Mr. and Mrs. Kee. The Martindales have been living in Virginia Beach, Virginia, the past three years, but have been transferred back to the Naval base at Beeville, Texas, and will move next month. So to make moving easier the family and car were sent on ahead, the husband and the Navy will see that the trailer house is moved to Beeville later.

Dinner guests of the Winson Grays Sunday were, Mr. and Mrs. Marvin Johnson and sons, Mr. and Mrs. M.S. Johnson.

Mr. and Mrs. Jack Wright and children spent Easter Sunday with her parents, Mr. and Mrs. Flavel Holmes, and they all attended the Easter egg hunt at the church Sunday afternoon.

Several from out our way attended the Neinda Cooperative Gin meeting held in the cafeteria of the primary school in Hamlin Saturday night.

Mr. and Mrs. Bill Jones, Billy, Randy and Jimmy spent Easter Sunday with his parents, Mr. and Mrs. Mel Jones. They are living in Sherman, where he is a member of the Highway Patrol.

Mr. and Mrs. Runt McCoy, Kay and Larry, Mr. and Mrs. Jimmy Joiner, Jeannie and Ronald spent Sunday with Mr. and Mrs. Elmer Joiner, it was Jimmy's birthday and Saturday was his little daughters eleventh birthday. Jeannie was born on Easter Sunday, eleven years ago.

It has been some time since we made a report on our coons, they made themselves known in a big way Sunday night. The pastor was delivering his sermon and one of them started thumping in the wall, disrupting things for a moment. From the sound of it, it seems that if Fred Rosenbaum and H. L. Ford don't catch them they are going to have to put some flea powders on them.

We know that there was more news out our way over the Easter holidays, but this reporter failed to hear it, maybe we will get it next time.

How Precious OUR CHILDREN

In telling us of the heritage of the servants of the Lord, the prophet Isaiah says, "And all thy children shall be taught of the Lord; and great shall be the peace of thy children." Isaiah 54:13. We want our children to be taught the ways of love for God, for their neighbor, and for their fellow man. We know that if they are educated in the ways of love, great will be their peace and happiness, creativeness, and productivity.

What other agency is assigned by our Lord the task of teaching love of God and man than the church? Take your children to church this Sunday and claim His promises.

POLICE DEPARTMENT KEPT BUSY HERE DURING WEEK

Three wrecks, an attempted burglary, vandalism, a DWI charge and a drunk in jail have kept the Police Department here busy during the past week.

Three persons were injured in a three-car accident here Thursday evening at 10 p.m. on South Central at the Santa Fe Railroad crossing.

Mr. and Mrs. John O'Neal were stopped for the train to pass at the Railroad crossing behind a car driven by a man from Oklahoma. Both cars were hit from behind by a third vehicle driven by Harry Stacy. J. W. Campbell was a passenger in the Stacy car.

O'Neal, Stacy and Campbell were taken to the Hamlin Memorial Hospital after the accident. Campbell suffered a broken leg and laceration to the head and eye and has now been transferred to the Veterans' Hospital in Big Spring. Stacy sustained a broken knee cap is still under treatment here. O'Neal was released after a few days treatment and observation. C. L. Stinnett was the investigating officer.

An auto-tractor accident at 3:45 p.m. Thursday was also investigated by Stinnett at the intersection of Northwest Third Street and Avenue F. A station wagon driven by Mrs. Gerald Young collided with a tractor driven by Mr. Evans. Both vehicles were traveling east and collided when the tractor made a turn in front of the car.

At 5:50 p.m. Friday a wreck on South Central and Third Street involved two cars. No details are available.

On Saturday the police were called out in the Southwest section of town to investigate three reports of vandalism. Car windows were smashed and paint was smeared on cars in that area.

An attempted burglary was reported Monday at the Von H. Stephens residence, 352 S. W. Ave. A. The would-be thieves attempted to remove the radio from the car at the residence.

The drunk was jailed on Thursday. The subject of the DWI charge was released on \$500 bond and is awaiting the grand session in Anson.

The Sophomore class of Hamlin High School will have a car wash Saturday April 20, at Lee Hasting station. They will be washing from 8:00 a.m. to 5:30 p.m. The charge will be \$2.00 per car plus \$1.50 to have your car greased. The money will be put in the class fund.

The department was called for a fire on N. W. Ave. A but they were unable to locate a fire.

Blue Bird Hut Work Day Set Saturday

April 20 has been set for the clean up day at the Blue Bird Hut. The clean up was planned for April 6, but was postponed because of rain.

The council is asking that everyone who can help with the project meet at the hut at 9:30 a.m. Saturday. Work will include painting of the outside of the hut, painting the kitchen, cleaning the grounds and some general repair. Workers are asked to bring their own tools, paint brushes, paint scrapers, etc.

Plans are for a complete improvement project to the building and grounds. Play ground equipment, picnic tables, benches, a toy chest and an apartment size stove are some of the items needed at the hut. Anyone having any of these items may contact the president of the Council, Mrs. Kenneth Riddle.

Paint for the exterior of the hut is being furnished by Nunley Plumbing and Builder's Supply.

Two Grass Fires Here During Week

At 3:15 p.m. Sunday the firemen went to the Poe Farm 12 miles west of town where several acres of sorghum alum burned. A bulldozer was used to clear a path for the fire equipment. Minor damage was reported.

School Tax Raise Vote Set May 11

The Hamlin Independent School District Board of Trustees called an election for May 11 for the purpose of increasing the Local Maintenance Tax of the district. The board called the election last Thursday night after being presented a petition bearing the names of 43 taxpayers.

Although the election is being called to set the maximum level of the local maintenance tax at a \$1.50, it was pointed out by C. F. Cook, superintendent, that the board would likely only raise the rate to \$1.35. This, he said, would be only an increase of \$1.50 over the current combined maintenance and bond tax rate of \$1.50.

Under the present tax situation within the district the \$1.50 rate is divided so that \$1.20 goes for maintenance and

\$1.30 goes for bond retirement. If the taxpayers approve the new rate the board will be empowered to raise the maintenance tax to as high as \$1.50 and the bond rate to what ever level it takes to retire the bonds that are approved by the voters.

Cook said that for the next two years the bond rate would

have to remain at the \$1.30 level and that after that time it could be lowered considerably unless the taxpayers voted additional bonds for some type of building program.

In addresses before the various clubs during the past month or so, Cook has pointed out that because of the decrease in oil valuations within the district and the increase in the money needed to match the state funds in order for the teachers to receive the raise granted them by the Legislature it has put the district in a financial situation where it cannot meet its bond obligations and still maintain the present standards of education.

A \$1.15 raise in the rate will increase the local maintenance fund by about \$24,000 a year, which Cook said the board felt would take care of the needs of the school and provide adequate repair and maintenance to the buildings.

SERVICES HELD SATURDAY FOR S. C. FERGUSON

Funeral services for S. C. (Bud) Ferguson, 75, long time resident of Hamlin, were held Saturday at 2 p.m. in the First Baptist Church. Officiating ministers were the Rev. Edmund W. Robb, pastor of St. Paul's Methodist Church in Midland, and the Rev. John Martin Ferguson, pastor of the First Baptist Church in Bovina and nephew of the deceased.

Mr. Ferguson died at his home, 612 West Lake Drive, at 1 a.m. Friday. He had been ill for about three weeks and had recently been hospitalized for ten days. He was a member of the First Baptist Church and the Hamlin Masonic Lodge.

Pallbearers were Weldon Johnson, Bill Harbert, C. Weldon Griggs, Bob Taggart, Bill Newland, Charlie Abbott, Henry Jackson and Holly Toler. Burial was in the Hamlin East Cemetery.

A farmer and stockman in the Hamlin area since 1907, Mr. Ferguson was born February 1, 1888, in Paradise. He was married to Reba Dickson in 1909 at Neuda. She died in November of 1953.

He married Wardie Wilkerson of Temple in November, 1954.

Survivors in addition to his widow are two sons, John D. (Dickie) and S. C. Jr. (Sam), both of Hamlin; two brothers, Jim of Neuda, and Lee Otis of Dallas, and seven grandchildren. A son, Thomas, died in 1956.

Attend Conference

Mr. and Mrs. S. L. Tate are in Fort Worth attending the State Sunday School Conference of Texas Baptists. The Conference opened Wednesday evening with a special session featuring a report from Japan by direct long distance facilities.

Tate is the education and music director of the First Baptist Church. They will return home Saturday.

DUPLICATE BRIDGE CLUB SETS CHARITY TOURNEY APRIL 27

The first local duplicate bridge tournament to be scheduled in the Hamlin area as part of the American Contract Bridge League's 1962-63 Charity Program will be sponsored by the Hamlin Duplicate Club.

The game will be held on Saturday, April 27, at 1:30 and 7:30 p.m. at the Primary Cafeteria. Proceeds of the tournament, which is open to the public, will go to the American Contract Bridge League Charity Program's two designated beneficiaries, the Institute of Logopedics and the National Multiple Sclerosis Society. The Hamlin Duplicate bridge club is one of over 4,000 American Contract Bridge League affiliates eligible to conduct special tournaments each year on behalf of the national charity organizations selected by the

League as outstandingly deserving support. A total of about \$170,000 was raised by the League's Charity Program last year, a figure they hope to increase this year.

Entry fee for the April 27 tournament in behalf of the two benefiting organizations is \$2.00 per person each session. It is tax-deductible. All bridge players in the area may participate, (whether or not they have ever played duplicate bridge.) The mechanics of duplicate differ from ordinary rubber bridge chiefly in that a series of identical hands is played at all tables, making possible a fairer rating of the relative skills of the players.

Meals will be available for all players at a nominal fee. Trophies for all sessions are now on display at Knabel Jewellers.

SITE PICKED FOR SCOUT EXPOSITION

The Pope Building at 111 South Central will be the site for the Scout Exposition to be held here Saturday, May 4. Guy Weaver is chairman of the local exposition. Booths will be prepared by the Cub Scout dens and the patrols of Boy Scout troop No. 43.

Tickets are now on sale by the Cubs and Scouts. The boys are working toward prizes for ticket sales. The prizes include an exposition patch for the sale of five tickets up to a trip to "Six Flags" for the sale of 150 tickets.

Tickets are 50c. Children of grade school age will be admitted free with their parents.

The local Exposition is being held as a part of the Northern District of the Chusolm Trail Council although the other towns in the district are staging their shows on April 27. Weaver said that the change in Hamlin was made because of conflicting activities.

The Scouts will be actively demonstrating and explaining to the public the many skills and interests of the finest of boy's programs, that of Scouting.

First Methodist Revival to End Sun.

The Rev. Clifford Trotter of Dumas is preaching for the revival at the First Methodist Church which will close Sunday, April 21. The theme for the 7:15 morning services is The Spiritual Life. The evening services will be at 7:30 with the theme Christain Discipleship.

Music will be furnished by the local choir under the direction of Mrs. Willard Maberry. The Methodist Men are serving donuts and coffee from 6:30 until service time each morning.

Before going to Dumas, Rev. Trotter was pastor of Fair Park Methodist in Abilene for five years. According to Rev. Jim Boswell, local pastor, he is one of the outstanding ministers of the Methodist Church, and extends an invitation for everyone to come and share in the services.

County Singing Here Sunday

The Jones and Fisher County Singing will be held in the Foursquare Church Sunday at 1:30 p.m. according to O. L. Corbourn, president.

The new time has been designated because the large attendance they have been having for the singing. The extra half hour will give more of the leaders and quartets a chance to participate.

Everyone who likes gospel music is invited to attend the singing. Several quartets from the surrounding area are expected to be at the meeting Sunday.

LAKEVIEW SETS GOLF TOURNEY

An invitational golf tournament will be held here at the Lakeview Golf Course May 10, 11 and 12.

The 72 hole match play will consist of sixteen man flights. The qualifying scores must be in by 6 p.m. May 10 except for the championship flight. Entry fee is \$10.00. Those entering the tournament may call SP 4-1026 or write Lakeview Golf Course, Hamlin.

Golf equipment will be given to the first, second and consolation places in each flight.

Calvary Baptist Meet in Progress

The spring revival is now in progress at the Calvary Baptist Church with the Rev. Robert Evans, pastor of the North Side Baptist Church in Anson, doing the preaching.

The worship services are at 7:30 each evening with Mrs. L. B. Bruner directing the music. The meeting will close Sunday. The Rev. John Burleson is pastor.

FOURTEENTH ANNUAL NEINDA REUNION TO BE HELD SUNDAY

The fourteenth annual gathering of the Neinda Community Reunion will be held Sunday at the Community Center. An invitation is extended to everyone, especially those who have lived in the community. John Scarborough is reunion chairman.

The business meeting will begin at 11 a.m. followed by a Barbecue lunch at 12 noon. Tickets for the noon meal will be \$1.00 for adults and 50c for children's plates. The women are asked to bring deserts.

The reunion was held for the first time in 1950. A group of ex-students decided to have a class reunion and this started others in the community to thinking along the lines of a gathering for the entire community. Residents of the community cleaned and repaired the old school building and made other preparations to organize a permanent association.

J. L. Weaver was elected president for the first year and J. E. Brown, secretary. Mal Castleberry served as president the following year and various others have held the office though the years. However, it was decided to give the office of president to Castleberry permanently. Mrs. J. E. Brown is now the secretary.

Approximately 350 to 500 persons attend the affair each

year. Recognition is given to the "old timer" who is the oldest, and to the one who has traveled the greatest distance, and others who no longer live in the community.

Some of those who helped to start the reunion were Llera Drummond, Mildred Williams, Artha Lee Tollison, Winona Jarnagan, Rod Brown, Eva Delle Gillis, Lillie Whittenburg and others.

Since there is a community cemetery, and most of the old timers have relatives buried there, the Neinda Cemetery Association was organized in connection with the Reunion.

Louis Boyd was named first president of the Cemetery Association and John Brown Sr. served as secretary. Following the death of Mr. Boyd, Brown has filled both offices.

Mr. Boyd placed a marker on the first grave in the cemetery. It was that of a child who had died while her parents were traveling through the country in a wagon and had camped at the creek near Neinda.

The Boyd family and a Davis family were among the first residents of the community. Also, Mrs. Bob Milstead was a early resident and still attends the reunions.

Although many of the old timers are gone the reunion is carried on each year by their children and grand-children.

FAIRVIEW NEWS

By MRS. ELMER JOINER

Easter Sunday has come and gone again, all of the frocks and Easter bonnets have been worn, the eggs have been hidden and found, maybe a few tummys aches this morning, but no showers have fallen. The weather man has warned us to keep our fingers crossed but says we may have rain this week, which we are sorely needing.

Our church had several visitors on this beautiful Easter Sunday a good service, not overlooking the true meaning of Easter, which tells the story of our risen Lord.

Mrs. Bertie Wright, a resident of Hamlin her son, Mr. and Mrs. Glen Wright, Eunice New Mexico, came to here her nephew preach Sunday morning.

Mr. and Mrs. Marvin Johnson and boys of Amarillo who have been visiting their parents, Mr. and Mrs. M. S. Johnson and Mr. and Mrs. Winslow Gray, all of Hamlin, were in services Sunday morning.

Jimmy Joiner, Jeannie and Ronald, were visiting from Stamford, also Sunday morning.

Billy and Randy Jones, from Sherman, were with their grandparents, Mr. and Mrs. Mel Jones, Sunday morning.

It was also good to see Mrs. Henry able to be back in service Sunday morning, having been absent several weeks recovering from surgery.

Sonny Joiner stopped for a short visit with the Elmer Joiner's Friday afternoon, on his way to Lubbock. He had returned from the trip to Virginia having driven his neices's, Mrs. Delbert Martindale, car

through to San Antonio, and was on his way to Lubbock for his car.

Mrs. Martindale, the former Sue Beavers, and daughter of Mrs. Henry Kee, of Lubbock, and little sons, came home with Mr. and Mrs. Kee. The Martindales have been living in Virginia Beach, Virginia, the past three years, but have been transferred back to the Naval base at Beeville, Texas, and will move next month. So to make moving easier the family and car were sent on ahead, the husband and the Navy will see that the trailer house is moved to Beeville later.

Dinner guests of the Winslow Grays Sunday were, Mr. and Mrs. Marvin Johnson and sons, Mr. and Mrs. M.S. Johnson.

Mr. and Mrs. Jack Wright and children spent Easter Sunday with her parents, Mr. and Mrs. Flavel Holmes, and they all attended the Easter egg hunt at the church Sunday afternoon.

Several from out our way attended the Neinda Cooperative Gin meeting held in the cafeteria of the primary school in Hamlin Saturday night.

Mr. and Mrs. Bill Jones, Billy, Randy and Jimmy spent Easter Sunday with his parents, Mr. and Mrs. Mel Jones. They are living in Sherman, where he is a member of the Highway Patrol.

Mr. and Mrs. Runt McCoy, Kay and Larry, Mr. and Mrs. Jimmy Joiner, Jeannie and Ronald spent Sunday with Mr. and Mrs. Elmer Joiner, it was Jimmy's birthday and Saturday was his little daughters eleventh birthday. Jeannie was born on Easter Sunday, eleven years ago.

It has been some time since we made a report on our coons, they made themselves known in a big way Sunday night. The pastor was delivering his sermon and one of them started thumping in the wall, disrupting things for a moment. From the sound of it, it seems that if Fred Rosenbaum and H. L. Ford don't catch them they are going to have to put some flea powders on them.

We know that there was more news out our way over the Easter holidays, but this reporter failed to hear it, maybe we will get it next time.

How Precious OUR CHILDREN

In telling us of the heritage of the servants of the Lord, the prophet Isaiah says, "And all thy children shall be taught of the Lord; and great shall be the peace of thy children." Isaiah 54:13. We want our children to be taught the ways of love for God, for their neighbor, and for their fellow man. We know that if they are educated in the ways of love, great will be their peace and happiness, creativeness, and productivity.

What other agency is assigned by our Lord the task of teaching love of God and man than the church? Take your children to church this Sunday and claim His promises.
